

Zion Baptist Church
PARENT/GUARDIAN CONSENT FOR VIDEO/AUDIO
CONFERENCING, SUCH AS ZOOM

Matthew 19:14 But Jesus said, "Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven." ¹⁵ And He laid His hands on them and departed from there. (NKJV)

This parental consent notice is provided to obtain permission for your child's voluntary participation in a Zion Baptist Church Christian Education activity such as Sunday School, Children's Church, or some similar activity. Your child/children will be participating in video/audio conferencing for the purpose of continuing their Christian educational instruction as we continue our virtual ministry.

During video/audio conferences, students may be visible/audible to other participants (students and teachers) in the conference session using technology such as Zoom. It is also possible that others in the participant's households may see or hear the participants. These are options that you and your child may choose within Zoom or Google Hangouts/Meet. If you and/or your child do not wish to share their camera and/or their audio capabilities, they may turn them off and simply attend the online lesson as a viewer.

We are confident that during the duration of any video/audio conference, participants will act in a manner pleasing to God. In the event of inappropriate behavior, a student may be removed from a conference.

We are requesting that you return this form electronically to ChristianEd@ziondc.org. We will also announce the availability of this form and the beginning of any session and we will consider that you have provided passive consent if you remain connected to the Zoom conference even if we have not received a copy of the consent form.

Thank you in advance for our continued partnership as we work to encourage and not hinder our children from coming to Christ.

God Bless You!

ZBC Christian Education Ministry.
